me to explain. The rich want to be the richest; the poor want to be the smartest; those who are both rich and smart want to be the better persons; the better persons want to go to heaven; those who are in heaven will look down upon those who are in hell... there is always some kind of hierarchy desired by everyone; even by those who claim the opposite of this.

The holy grail of mundane alchemy is to turn base metals like lead into gold — the Philosopher's Stone is essential to that operation. It is also said to provide immortality, and on esoteric, subtle levels, the Philosopher's Stone represents the fulfillment of the soul's potential — illumination, enlightenment and bliss.
